

Recognition Award **Safety**first

Air Liquide

RCC LLP

We express our sincere congratulations and deepest gratitude to RCC for reaching the significant milestone of 500,000 Lost Time Accident Free Man-Hours on the

Air Liquide Pavlodar New HPU Project.

This milestone is a direct testament to your outstanding leadership, strong safety culture, and daily on-site discipline. Your commitment to maintaining a safe work environment has been fundamental to this success.

We look forward to maintaining this exemplary performance together until the safe and successful

completion of the project.
